DOMAIN TOIT DU MONDE, VAL D'ISERE

DOMAIN TOIT DU MONDE, VAL D'ISERE

For up to 16* guests in 8 suites

SWIM IN/ SWIM OUT – SKI IN/ SKI OUT

Discreet, luxurious, exclusive and appreciated by the most discerning of clients since 2008.

We offer luxury with versatility.

The magnificent Domain Toit du Monde was converted from a 17th Century French Monastery.

This historic building in Val d'Isere underwent a 3 year multi-million pound renovation which was completed in 2007. Since then it has continued to be lovingly maintained and improved on a year to year basis. Many original features remain, including the impressive 1.5metre thick stone walls and fireplace.

Domain Toit du Monde offers 8 suites, 4 of which are dual-level and allow the option of adding an extra bed on the lower level for an additional charge*.

Our guests will have every need and desire catered to by our dedicated staff from chef to chauffeur, host to beauty therapist.

Domain Toit du Monde has a concealed pool which appears independently at the touch of a button with dual functionality of indoor/ outdoor swimming.

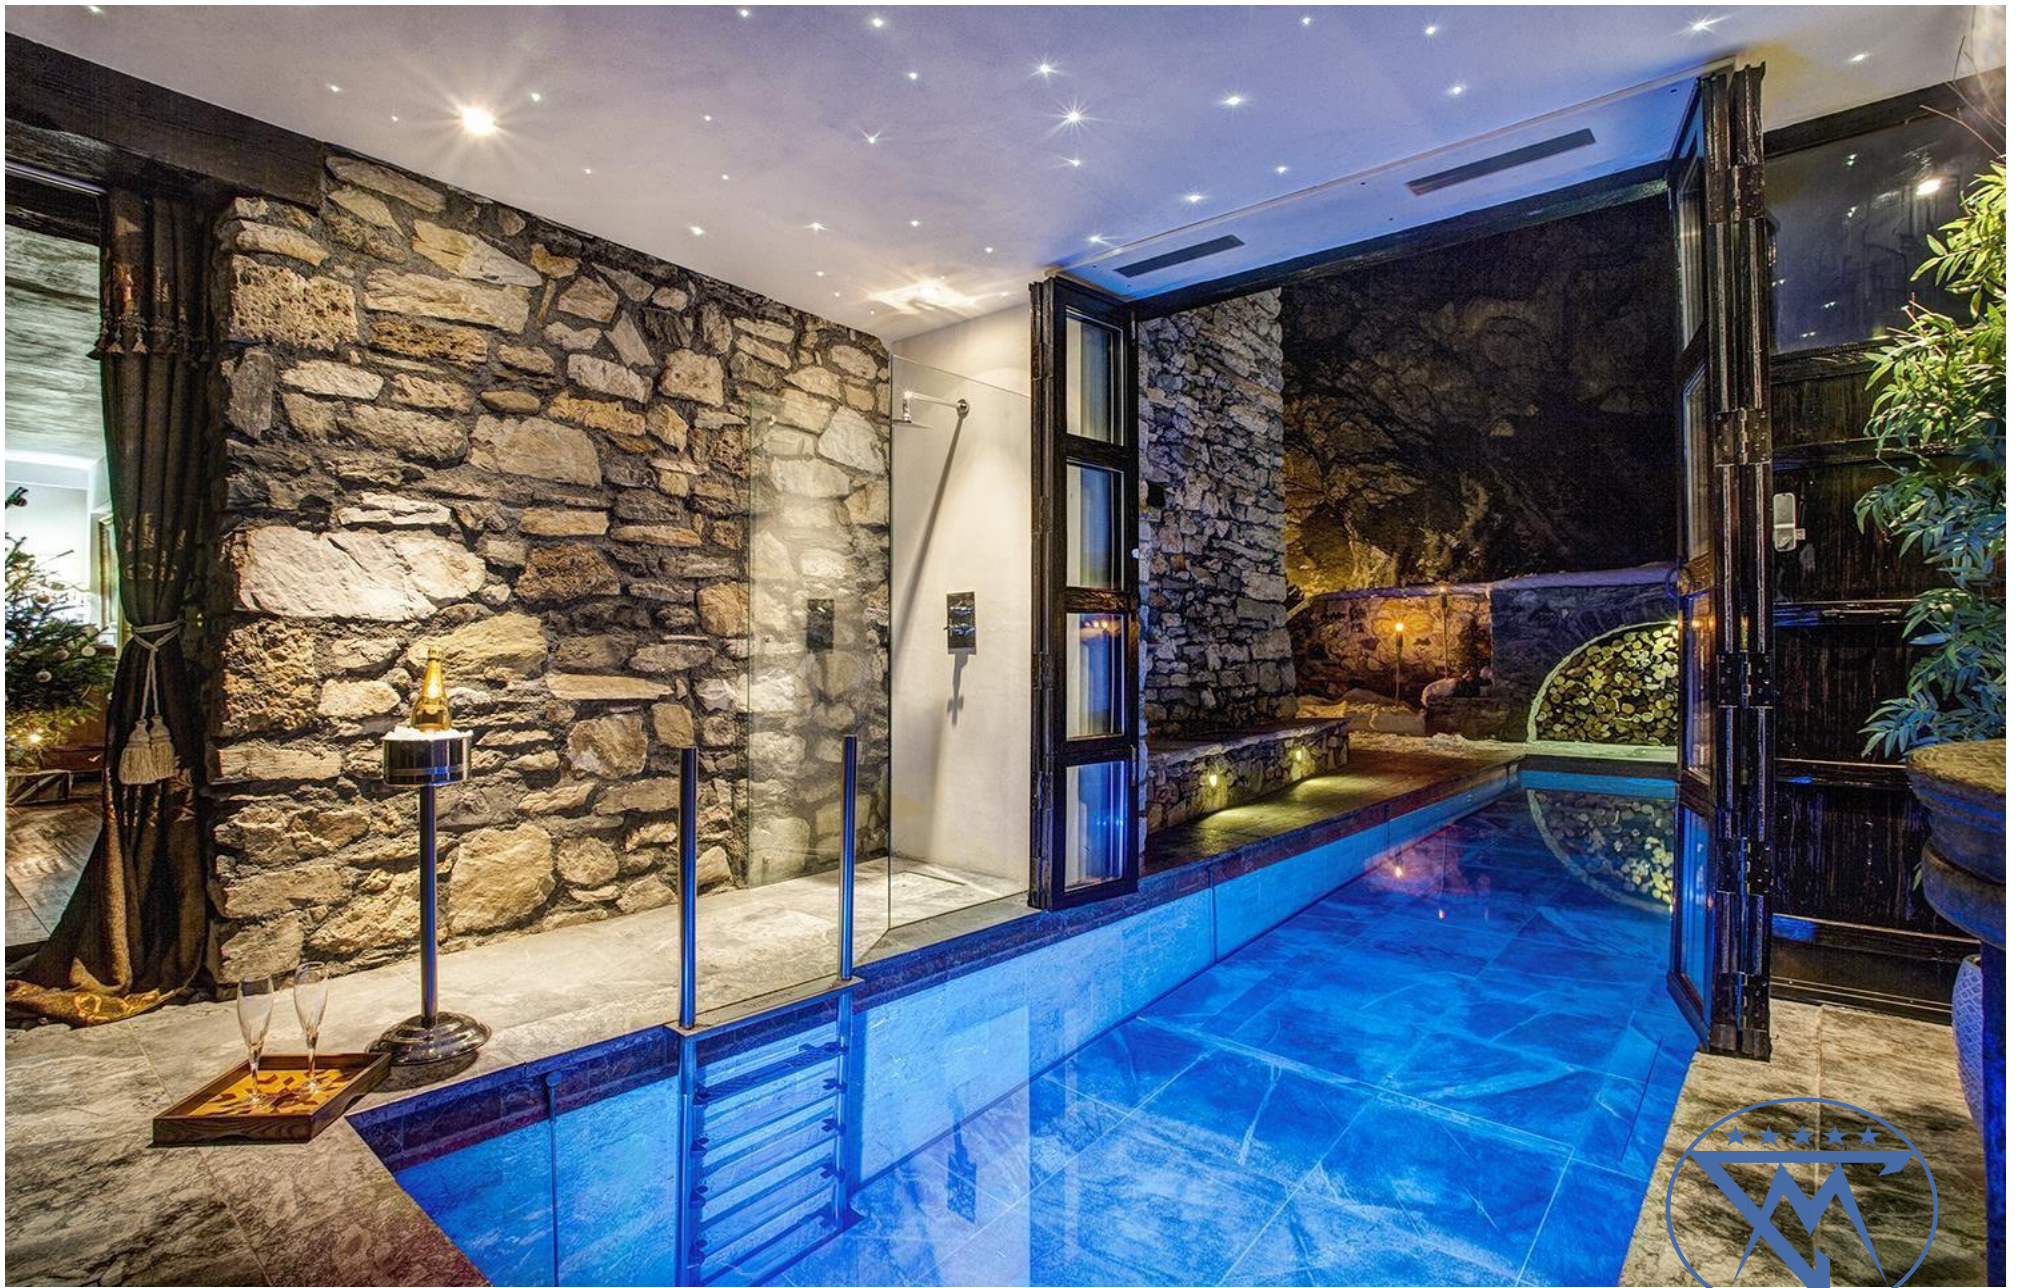

With 2 saunas, 2 spa therapy rooms, 2 ski rooms, 2 private wine cellars and 2 cigar rooms, the Domain offers the ultimate luxury winter retreat for guests demanding comfort with flexibility.
