TERMS AND CONDITIONS

1. Booking a holiday

a) A holiday booking is made between SARL Himalaya ('SH') and the named individual on preceding BA who must be over 18 years of age ('you'). All correspondence to SH is to be addressed to: SH c/o Joseph Claus, Sales Manager at sales@toitdumonde.co.uk

b) The contract between you and SH is in all circumstances to be governed by these terms and conditions and as well those contained in the BA. In case of conflict or doubt, the terms and conditions hereunder shall prevail.

c) Your booking is confirmed only upon SH's receipt of the Booking Deposit being 20% of the full booking price and is always subject to these terms and conditions. Please note that 80% of the full booking price being the balance due will be payable no later than 30 working days before the start of your holiday.

2. Amendments

a) Amendments must be confirmed in writing, signed by you or any authorised member of your group. They will come into effect on the day they are received by SH. You agree to indemnify SH for any reasonable expenses incurred in making an amendment whether or not SH accepts your request.

b) Subject to availability, and to any applicable increase in price, a single change to alternative dates, if free and available, within the same winter season and confirmed more than 30 days prior to arrival will be accepted by SH without charge, subject to the terms below. A change made 30 days or less will be considered a full cancellation. Any change of dates to a future winter season will also be deemed a full cancellation. For a change to be effective within the terms of this clause, you must confirm your acceptance of the revised date and pay the full balance due (including any increase in price) no later than 30 days prior to arrival or earlier if your revised booking is for arrival in less than 30 days. In case of the latter, your revised booking is not effective until full payment is received within 24 hours of your confirmation or else the one-time revised booking (and the original booking) will be deemed to be cancelled. Any initial deposit already paid can be applied for use against any revised booking if it is valid and effective within the aforesaid terms; and subject to the pricing difference condition below. For the avoidance of doubt, please note that SH does not guarantee availability of any alternative dates whether or not at the same price of the original booking. Price difference will only apply upwards which means that you will not be given any credit if your revised booking is for dates which are priced lower than your original booking. If there is no availability of alternative dates requested, you are bound to pay the balance of your original booking 30 days before the arrival date and failing payment, your deposit will be forfeited and your booking cancelled.

Please see clause 4 below.

c) In the unlikely event of a change of circumstances, SH reserves the right to advise you of a change to your holiday both before and after you make a reservation. Such a change made prior to departure if it is deemed by SH, at its sole discretion, to be significant, gives you the right to cancel

the holiday if you choose. Should you cancel in such circumstances you will receive a full refund (excluding insurance premiums).

d) Once your holiday has started, SH will pay you only a pro-rata refund for any part of your holiday which cannot be taken, due to a change made as aforesaid.

e) Please note that SH will not be responsible for expenses, costs or losses incurred by you as a result of any change or cancellation or be liable for any refund should SH be forced to cancel or change your holiday due to circumstances amounting to Force Majeure. Such circumstances shall include, but are not limited to, war or threat of war, riot, civil strife, terrorism, industrial disruption, natural disasters, public health mass issues whether classified or not to be of epidemic or pandemic proportions, fire, technical problems, adverse weather, governmental action and similar events beyond our control.

3. Cancellation

a) In all cases, SH reserves the right to cancel your holiday for the dates you have reserved. This is extremely unlikely, but should this event occur you will be fully refunded and compensated as set out above.

b) If you fail to pay the full booking price or other costs before the due dates, SH reserves the right to cancel your reservation with no refund whatsoever to you in which case your reservation will automatically expire and SH is entitled to release the same dates for a new sale. The full booking price is due 30 days before the start date of your holiday.

c) All payments made by you are non-refundable save for exceptions set out expressly in this agreement and we recommend that you obtain travel insurance for protection against your inability to undertake the holiday booked under this agreement.

d) Notwithstanding the provisions of (c) above, SH guarantees exceptionally that new bookings made for Winter Season 2022/2023, will be entitled to a full refund in the event that the resort of Val d'Isere and/or its ski-lifts in totality are closed by the national or local authorities,

(1) due to a resurgence of coronavirus ;

or

(2) due to mandatory emergency energy conservation orders.

Please note that In the event the holiday as booked is cut short by either (1) or (2) occurring after arrival at the chalet, then refund will be limited to a pro-rated sum, calculated on the actual number of days unused by all or part of the group.

4. Cancellation by you

a) If you choose to cancel your booking, you must do so in writing, addressed to SH. Any cancellation will come into effect the day written notice is received by SH and will be refunded as shown below:

- More than 90 days before arrival in chalet, 50% of your Booking Deposit in Clause 1 (c) will be retained by SH.
- 89-30 days before arrival in chalet, 100% of your Booking Deposit will be retained by SH
- 29 days or less, 100% of the booking price will be retained by SH

b) It is your responsibility to verify before travel the Health protocols which will apply to the dates of your holiday. Any deliberate breach by any member of your party of these Health Protocols will entitle us to cancel all or the remainder of your stay as booked without any compensation or refund whatsoever. In these circumstances, you will be responsible for damages arising from the breach and you may be refused entry and/or required at your own cost to vacate and depart the premises immediately. Said breach shall include Failure or Refusal by any member of your party to demonstrate with satisfactory evidence compliance with testing, vaccination or any other applicable health and hygiene measures introduced by French or local authorities; or your country of origin.

5. Your responsibilities

a) As part of this agreement, you hereby agree to guarantee full compensation for any damage or losses caused to SH or the chalet or any property therein during your holiday and also payment for any chargeable services requested by any member of your group either before, during or after your holiday.

b) It is a condition that you and your party obtain suitable holiday insurance (to include cover appropriate to Winter sports insurance), from a reputable provider, which must at least include the following:

- Medical Expenses including, amongst other costs, emergency fees for mountain rescue, ambulance, hospital charges, and as well repatriation arising from health or injury issues;
- Cancellation of your trip or Curtailment (cutting short your trip)^{***};
- Personal Liability to include, amongst other liabilities, damage caused by your negligence to the property in which you are staying and may not include a clause which restricts actions being taken against a travelling companion other than family;
- Travel and transfer delays which must include amongst other costs, additional costs incurred in the event of a delay beyond your or our control.

Please note that the policy must include the activities you are likely to do and in particular off piste skiing with or without a guide (it is possible to ski off piste inadvertently).

In the event that you fail to obtain suitable Insurance we shall not be liable for any costs incurred or claims made against us due to your failure to comply with this term.

***** In case of Cancellation or Curtailment of your holiday due to illness or injury, please note that Clause 3(d) refunds are not applicable to illness of any member of your party due to contraction of Covid-19 or the exhibiting of Covid-19 symptoms whether or not such illness prohibits or limits travel, requires isolation, alternative or prolonged accommodation, medical treatment or hospitalisation. In light of coronavirus disruptions at end of 2019/2020, it is further recommended that you verify your insurance cover includes cancellation or curtailment due to exceptional circumstances including force majeure events to include outbreak of any form of pandemic. This recommendation is without prejudice to SH's 'exceptional guarantee' to refund in the specific circumstances cited in Clause 3 (d) above.**

c) Please treat the chalet and all SH property with care and respect. We will be entitled to recover the cost of any damage caused by any member of your group before departure from the chalet. Please ensure that your insurance policy covers accidental damage to the chalet and its contents. Behaviour deemed unacceptable by SH will result in the termination of your holiday and you shall have no right to a refund for your holiday or any expenses incurred as a result of the termination.

d) Please note that smoking is not allowed inside the chalet except in the Cigar Room.

e) It is your responsibility to provide written details of any allergies suffered by any member of your group.

b) SH will not accept responsibility for any loss, death, injury or illness caused by the authorized or unauthorized acts and/or omissions of SH 's employees, whilst acting within the scope of their employment in the provision of your holiday, where the failure to perform or the improper performance was due to:
